

Who Are We

The Siuslaw Alumni Association is a non-profit organization created to share pride in Siuslaw High School, and give forward to enhance lives of our fellow graduates.

Our objectives are:

1. Collect donations to a scholarship fund for annual distribution to SHS graduates.
2. To arrange an annual meeting for past graduates, attendees and faculty of SHS.
3. Maintain a historical record of SHS.
4. To maintain and renew contact with past, present, and future student body members of SHS.
5. Maintain a contact list, for non-commercial use only, of known graduates.

Governing Body

Our association is governed by a voluntary board of directors consisting of: president, vice president, secretary, treasurer and annually designated directors.

The board meets for three regular meetings each year: January, April and September. Meetings are open.

Annual Membership Meeting

Our annual association meeting is held with a banquet the second weekend of September in Florence.

Membership

Your membership is needed to:

1. Keep SAA alive and well. It is the only way alumni can collectively offer scholarships. Our Scholarship Committee selects recipients.
2. Offer alumni the opportunity to share their knowledge and talents.

Dues

Dues are \$10/year for members or a household and used to publish the annual newsletter in June, for annual meeting expenses in September and administrative costs. The fiscal year is October 1 to September 30.
